HiLook NVR-108MH-C

· Specification summary

Device class	Network video recorder
IP camera inputs	Up to 8 IP camera channels; this is the input-channel limit, not decoding capacity.
Incoming bandwidth	Up to 80 Mbps incoming; match aggregate camera bitrates before selection.
Decoding reference	1 channel at 8 MP / 5 channels at 1080p in the catalogue; these are decoding profiles, not extra camera inputs or a guaranteed frame rate.
Video compression	H.265, H.265+, H.264 and H.264+ are listed; camera, stream and firmware configuration must match.
SATA interfaces	1 SATA interface listed; this does not mean hard disks are included.
Built-in PoE	No built-in PoE in the exact catalogue card; plan camera power separately.
Enclosure class	260 1U metal chassis reference; this is not a millimetre dimension, installed envelope or confirmation of rack accessories.

Specifications are summarised from the manufacturer's published information (checked 2026-10-20). They describe the cited version only. Confirm the exact model, suffix and supplied revision before ordering. ISD confirms supply, price, availability and warranty separately.
