

HiLook PTZ-N4215I-DE

· Specification summary

Device class	Network Camera
Catalogue product type	4-inch 2 MP IR PTZ as listed. The inch label is a size class, not a measured housing dimension.
Resolution reference	Up to 2 MP high definition as listed; confirm actual stream resolutions and frame rates.
Optical zoom	15× optical zoom as listed; confirm required coverage. No unlisted focal-length range is inferred.
Minimum-illumination reference	Colour 0.005 lux at F1.6 and black-and-white 0.001 lux at F1.6 as listed. AGC/shutter/test conditions are not specified on this card; confirm actual lighting needs.
Video compression	H.265+ / H.265 are listed; confirm compatible recorder, streams and firmware.
Protection and WDR reference	IP66 and 120 dB WDR as listed; confirm installation, environmental conditions and image configuration.
IR reference	100 m IR as listed; actual usable range depends on the scene and configuration, not an identification-distance guarantee.
Power reference	12 V DC and PoE+ are listed; confirm the correct supply and injector/switch. No IEEE class, current, wattage or included adapter is inferred.

Specifications are summarised from the manufacturer's published information (checked 2026-10-18). They describe the cited version only. Confirm the exact model, suffix and supplied revision before ordering. ISD confirms supply, price, availability and warranty separately.
