

HiLook THC-B123-P

· Specification summary

Manual model grouping	THC-B123-P appears in the Type I group alongside THC-B123-M; the two full models remain distinct
Type I power reference	The Type I drawing labels a 12 V DC power cord; supply rating and package inclusion require confirmation
Type I video-output selection	The Type I note describes holding the switch button for five seconds to change TVI/AHD/CVI/CVBS output; confirm the exact unit and recorder first
Manual imaging features	CMOS sensor, automatically switched IR-cut filter, automatic white balance and internal synchronisation are described in the shared manual; no sensor size is established
Manual OSD reference	Configurable OSD menu described; availability and recorder control must be confirmed
Manual physical-adjustment reference	Three-axis adjustment described; this is not proof of motorised PTZ
Manual menu-access reference	The manual describes a camera-to-TVI-DVR-to-monitor connection and menu access through DVR controls or preset 95; compatible equipment is required
Manual video-format menu	2 MP at 25 fps or 30 fps is a shared-menu reference, not an exact native pixel-resolution or all-output performance guarantee
Manual CVBS selection	PAL or NTSC is listed only when video output is switched to CVBS; not a 2 MP CVBS claim
Manual exposure modes	GLOBAL, BLC and WDR menu modes described; no numeric WDR rating is established
Manual day/night modes	COLOR, B&W and AUTO described; colour selection still requires suitable scene light
Manual IR-light control	An IR LIGHT on/off control is described; no distance or illuminator power is established
Manual Smart IR reference	MODE 1 and MODE 2 are described for lighting adjustment; not AI detection or PIR sensing
Manual image-adjustment menu	Image mode, brightness, contrast, sharpness, saturation, 3DNR, AGC, slow shutter and mirror described; confirm actual available settings
Manual AGC qualification	HIGH, MEDIUM and LOW described; increasing gain also amplifies noise
Manual save behaviour	SAVE & EXIT saves settings before leaving the menu; confirm settings on the actual unit

Specifications are summarised from the manufacturer's published information (checked 2026-10-18). They describe the cited version only. Confirm the exact model, suffix and supplied revision before ordering. ISD confirms supply, price, availability and warranty separately.
